VENUE

Our retail stores have been Los Angeles' premiere home + garden destinations for over twenty years. In 2018 we opened our first event space in the heart of the Downtown Art's District. We are excited to be the venue and home of LA's most creative and influential productions.

Our Mateo location encompasses two acres spanning the entire block between Bay and Sacramento Streets. This urban space features industrial design, sprawling gardens and lush greenery. Additionally, we have an outdoor kitchen with a wood fired pizza oven, green egg BBQ, and multiple events spaces both indoor and out.

Potential site uses are large scale events, photo & film shoots, weddings, festivals, summits, pop-ups and corporate events.
